**(Translation)**

He went down the mountain  
They followed him  
Then came the leprosy, He approached  
him  
he touched him and said to him  
Lord can you heal me?  
Jesus stretched out his hand and  
touched him  
I want you to be healed  
at that moment his leprosy recovers.

*Chorus*

*He is kind with a gentle heart,  
a king who never discriminate,  
he comforts the weary  
in him we find forgiveness*

He arrived in Capernaum  
comes the commander of the army  
and said unto him, Jesus,  
save my servant  
It didn't take long Jesus Saved him  
Because He is kind.

**Bridge**

Come unto him, he will save you  
from all your heavy burdens  
He is capable of everything  
nothing fails him
